

Hancock Handlebars Bicycle Club

Mileage Log

Mileage Award Rules

Annual Awards will be based on club participation points again this year. One point will be awarded for each club activity in which you participate.

Examples of activities included are as follows (this may not be an all inclusive list):

1. Club Rides (this includes all OPEN rides) posted on the calendar.
2. Club Meetings (General meetings, Rides Committee, Social Committee, etc.)
3. Club Projects
4. Club Picnics
5. Club Social Gatherings
6. Club Volunteer for the HHH
7. *Non-club sponsored events listed on the club calendar.

*These would include away rides sponsored by another club that the rides committee has elected to put on the club calendar. The purpose of these rides is to encourage our club members to support other nearby bicycling events such as those held in Tiffin, North Baltimore, Bowling Green, Carey, Upper Sandusky, etc. as well as other rides that hold great interest for club participation (TOSRV-GOBA-RED FLANNEL -"BIKE TO THE BAY", THE BEAN RIDE, ETC?)

Mileage Awards:

25 Club Participation Points = \$10.00 Gift Certificate
50 Club Participation Points = \$20.00 Gift Certificate

OR

Over 1000 total miles on log and 25 participation points = "T" shirt with club logo
Over 2000 total miles and 25 club participation points = same shirt with your miles for the year

Keep track of your events and club miles on your log sheet. All other rides that you participate in that are sponsored by another organization that are not listed as an event on the club calendar or are your own personal miles may be accumulated in the "Non-Club Miles" column. The Club and Non-Club mileage may be totaled together to be placed on your mileage award.

For the purpose of keeping a mileage record, the year or season ends October 31. Any mileage after that date is to be counted on the next year's mileage log. Mileage may be accumulated from Nov. 1 of a year through Oct. 31 of the next year. Please turn your mileage log into the Club by November 5 of each year.
